

THE INTELLIGENCER. LOCAL MATTERS.

The Finest Yet.
We were shown on last Tuesday three turkeys, two white and one black, raised by Mr. J. C. Keys, that weighed twenty-three pounds, without top, the black weighing over eight pounds. They are the finest we have seen this season.

Christmas Goods.
Mr. James Anderson, our enterprising young merchant, has just received a large and well assorted stock of Christmas goods, among which is a large stock of fine cigars, which he is selling remarkably low for the cash. We are indebted to him for liberal samples.

Temperance Picnic.
There will be a temperance picnic at Union Church, in this County, on Friday, 24th instant, at which addresses will be delivered by Rev. B. Hays and Messrs. G. F. Tolly and L. P. Smith. The public generally and ladies especially are invited to attend and carry their baskets.

The Yield of Clover.
Mr. W. W. Russell, of Anderson County, has this year four and a half tons of red clover hay off of nine-tenths of an acre, bottom land. He has also grazed two milch cows, one hour each day, morning and evening, all the past summer, off of one-half acre of red clover.—Keweenaw Courier.

Enlargement of the Register.
The Columbia Daily Register comes to us in an enlarged and more handsome form. Col. John W. R. Pope has been added to its editorial corps. The Register is now on the high road to prosperity, and in its new size and accomplished management deserves the support of the people of the State.

Little Girls' Entertainment.
The Little Girls' Sewing Society of the Presbyterian Church, will give an entertainment in Masonic Hall on next Tuesday evening, which we hope will be liberally patronized by our citizens. Fresh oysters, coffee and other refreshments will be served. As their object is to raise funds for the cause of Missions, they should be encouraged in their efforts.

Important Grange Meeting.
The Executive Committee of Pomona Grange met on the first Monday, 24th inst., with a bare majority present. After considering and discussing various matters of business pertaining to the interest of the Grange, it was considered important that an extra meeting of the Committee be held at J. B. Watson's store on the 10th inst. at 10 o'clock a. m. for closing up some unfinished business, and members of the Committee are requested to attend promptly.

Excursion to Atlanta.
Another excursion to Atlanta is arranged for the 20th instant, for the benefit this time of the Pickens Presbyterian Church. The excursion train will leave Easley at 3:40 p. m., Liberty 3:57 p. m., Central 4:15 p. m., Seneca City 4:40 p. m., Westminster 5:14 p. m. Parties can procure tickets from the following gentlemen at \$2 for the round trip: J. F. Folger, Pickens; C. A. Bruce, Easley; S. D. Stewart, Liberty; R. G. Gaines, Central; John C. Carey, Seneca City; H. C. Summers, Pendleton.

Death of an Aged Citizen.
We regret to chronicle the death of Mr. Thomas Hanna, which occurred at his residence in Hall township on Tuesday night last, in the 90th year of his age. Mr. Hanna has always been noted for honesty and integrity of purpose, and by his upright, effective and christian life made many true and lasting friends. He served in the war of 1812 with credit to himself and country. He had been blind for many years previous to his death, and was a consistent member of the Methodist Church for probably half a century past.

Cotton Stealing.
We hear of several persons who have lost large amounts of seed cotton this fall by having it stolen both from their fields and houses. The thieves have been particularly bad in the neighborhood of Mr. Jephtha Harper. On Sunday night before last Mr. Harper had stolen from one of his fields about 900 pounds, and on the night following the cotton house of Mr. John I. Watson was broken open and about 1900 pounds taken from it. Other thefts, varying from 100 to 500 pounds in amount, have been made in the same community. One negro, Ike Shon, has been arrested and lodged in jail, and others against whom strong suspicions are entertained, are being closely watched. No efforts should be spared to bring the guilty parties to punishment.

Burned to Death.
We are indebted to Mr. John A. H. Brinson for the following particulars of a fire and the burning to death of a child which occurred in Pendleton on Monday night last: "Last night about half-past ten, when the wind was raging, our little town was alarmed by the cry of fire. It was soon discovered that a small house, standing near the fork of the Anderson road, property of Mr. James Hunter, was burning. The house was occupied by a colored woman called Florence Johnson, widow of Allen Johnson, one of the men killed at Broadway trestle two years ago. She had gone to bed, had supper, and the house was locked up. It was rumored that she was in the habit of locking up her child when she attended such houses, and in this case it unfortunately was true, for the child's remains were found in the ruins. Even if it had been known that the child was in the house at the first, it would have been impossible to save it, for on the fire being discovered the whole house was in a blaze. The woman has lost everything she owned as well as her child, saving only the clothes she was wearing at the time."

The new County officers will not enter upon the discharge of their respective offices until January 1.
The Sheriff advertises a large amount of valuable real estate for sale on the first Monday in January in this issue.

A lady in Anderson has realized eight dollars from a single pumpkin in the way of premiums at the State and County Fairs.
A considerable number of our citizens are in Charleston this week attending the meeting of the Grand Lodge A. F. M., and the Industrial Exposition.

Anderson Division, Sons of Temperance, is enjoying at present very pleasant meetings, and those who fail to attend would do well to mend their ways.
We have just learned that Rev. Wm. Henry Strickland has declined, for the second time, a call to the pastorate of the Baptist Church in Albany, Georgia.

There will be a Sunday School celebration in the Baptist Church at this place on Sunday afternoon, 22d instant, at which addresses will be delivered by Messrs. L. P. Smith and J. L. Tribble.

C. A. Reed, Agent, has a large lot of sewing machines on hand which he is offering at remarkably low figures. See his advertisement, and be sure to examine his machines before purchasing.

A colored man named Manuel Westfield, while feeling the cotton gin of Messrs. Gignilliat & Williams, at Easley Station, last week, got his hand caught in the gin and badly mangled up to the elbow.

The Anderson Baptist Sunday School has elected the following officers to serve the ensuing year: Superintendent, Rev. W. H. Strickland; Vice Superintendent, W. W. Keys; Secretary and Librarian, F. T. Wilhite.

The lien law is a dead letter after January 1, but don't mortgage your property to secure advances for another year, if it is possible to live by any other means. It is a dangerous business, this giving of mortgages.

Those who desire to invest in thoroughbred Jersey, Devon and Ayrshire cattle, or fine breeds of sheep, pigs, etc., should by all means attend the sale advertised in this issue to take place on the 27th instant at Pendleton.

The Receiver is in charge of the Greenville and Columbia Railroad, and among the changes made in its management is one requiring the freight to be paid on all articles shipped over it before they are delivered by the agent.

A special meeting of Hunter's Spring Grange will be held on next Saturday, 14th instant, at 9 o'clock a. m., for the election of officers to serve the ensuing year, and for the transaction of other important business. The members are requested to be punctual in attendance. By order of the Grange, T. H. Dumas, W. M.

The fabled "Fountain of Youth" once sought in America, by Ponce De Leon, has now become in some measure a reality to those who seek health and rejuvenation, in the remedies which Dr. HARRIS has wrung from nature, by patient and scientific inquiry. Sold by all druggists. 21-2

SANDY SPRINGS.
If you want good beef, call on Capt. Bob Steele. If you want a full and romantic description of the Sandwich Islands, call on Clark Smith. Our young friend, Lewis McKnight and Jesse Moorhead are now engaged as local agents in Greenville County. We wish them much luck on their pedestrian journey. Be of good cheer, boys. Duck Craig is our most scientific young farmer. He can grow more cotton and grain to the acre than any other of his age and experience. Mr. G. T. Milan is the most successful in the "gooder" crop. Mrs. Elrod, mother of our worthy neighbor, Mr. D. A. Elrod, is the oldest person in this community. She is 92 years old, hale and hearty, and has every appearance of reaching her hundredth birthday. The young bloods propose having a tournament at this place Christmas day. The prize is a fine saddle and bridle. At night a grand ball is anticipated. The young men have formed a literary society at this place. Their meetings will be held every Saturday evening in the Academy. We are glad to see the young men taking an interest in these meetings, as the result will doubtless be good. Mr. R. M. Burns is President. We wish them much success. 21-2

Ladies should remember that the sallow and despondent invalid always gains relief from the use of Dr. HARRIS' Tonic. It purifies and enriches the blood, and thus restores the vital energy of youth. Sold by all druggists. 21-2
